

Mission

What are we here for?
Why we exist!

We are here to create a brighter tomorrow for our next generation. To teach our children values, to give and be grateful. Prepare our children for life, to be **confident in their abilities, to live with passion. To believe in themselves, and encourage their uniqueness.** To teach our children that **beauty is on the inside, they are perfect just the way they are.** To **instil self belief and positivity. To leave a lasting impression that encourages them to push to achieve their dreams.**

Vision

Where are we going?
Where we want to be!

We envision a world full of confident children who believe anything is possible. Our vision is to touch the lives of **all children across the world** child by child, city by city, country by country.

Values

What do we care about?
How we behave!

Diversity - Integrity – Passion – Growth – Inclusive - Love

We believe In people, we are **one team.** We know it takes people with different ideas, strengths, interests, and **cultural** backgrounds to make our organization succeed. We are **honest, open, ethical, and fair.** We are **passionate.** We are continuously **moving forward,** innovating, and **improving.** We are here to provide a magical experience of creativity **to all children regardless of finance or abilities.** We **do it big** or not at all. What ever we do, we do it with **LOVE.**
