

## GOLDIE DECLARATION

I promise .....

Every doubt, self limiting belief and negative trait I ever told myself no longer exists.

TODAY I BEGIN WITH A BLANK SLATE AND TODAY I CHOOSE TO PAINT MY OWN MASTERPIECE.  
I AM GREATFUL FOR THE JOURNEY I AM ABOUT TO TAKE

I deserve only happiness and I make no room in my life for anything less. This world is a better place because I am here. I choose to love myself and the people around me fully and non judgementally. The work I am about to begin is not only going propel my life forward but others too not only for my career but also for my personal growth.

I AM CAPABLE  
I AM CAPABLE  
I AM CAPABLE

I believe if and when I put my mind to something I can understand and now take in new knowledge easily with profound clarity.

I understand my subconscious mind will try to protect me when moving forward to a task that my subconscious mind may believe I could fall or could be difficult for me.

I PROMISE TO BANISH THOSE THOUGHTS FROM MY MIND AND MOVE FORWARD FEARLESSLY TO MY GOAL...  
BECAUSE I KNOW I AM CAPABLE

I choose to grow and to grow I must begin today to make a change

I can now learn with no limits AND I CHOOSE NOT TO HOLD MYSELF BACK. I promise to think, speak and feel only all that is good for me.

TODAY AND EVERY OTHER DAY FROM NOW I CHOOSE TO BE GREAT.

These are the top three reasons WHY I am an LMI Goldie....

- 1.
- 2.
- 3.

This OPPORTUNITY did not magically appear. I am exactly where I am supposed to be, with EXACTLY who I need to be with. I promise to be the best me and give this all I have and more.

I am officially free and in sole charge of my life. I understand that me and only me can create the life I dream of. NO IS COMING TO SAVE ME, TODAY I DECLARE TO SAVE MYSELF.
